TEACHING EXPERIENCE

Assistant Professor
East Stroudsburg University, East Stroudsburg, PA
2019-Present
Instructor of classes in Interactive & Social Media, Media Graphics & Design, Web Design, Imaging Technology, Digital Publishing as well as fine art classes. Students are taught to create digital media and marketing content, as well as how to establish goals for the development of web and interactive production.

Full Time Instructor
East Stroudsburg University, East Stroudsburg, PA
2013-2019
Instructor of classes in Interactive Media, Media Graphics and Design, Web Design, and Imaging Technology. Students are instructed in the fundamental programs required to complete assignments with a Design and Marketing focus.

Adjunct Professor of Art, Design & Technology
Caldwell University, Caldwell, NJ
2014-2018
Instructor of classes in Graphic & Web Design. Attention is placed on furthering students' knowledge of applications used in classroom projects, as well as problem solving and strategy. Classroom assignments include infographics, print layouts, website designs and compositional exercises.

Adjunct Professor of Art & Design
Montclair State University, Montclair NJ
2012-2014
Instructor of classes in web, mobile, and multimedia design. Students were introduced to the fundamentals of creating and managing websites. Mobile application design was a strong focus in the multimedia design class. Attention was focused on best practices in web design, how to develop a plan for a web site, and problem solving techniques used in creating a workable website.

CORPORATE EXPERIENCE

Digitas

Associate Creative Director, Digitas LLC
Boston, MA
2006-2010
Responsibilities included managing a team of designers and actively designing work for Procter and Gamble related business, such as Tide, Olay, Duracell, and Oral-B. Other accounts I contributed to included Disney and Miller. I was the Digital Creative Director for AT&T Business Connect.

Senior Art Director
J. Walter Thompson
Detroit, MI
2001-2006
Responsibilities included involvement in multimedia production, design and art direction for fordvehicles.com. I worked with programmers in a cross-departmental team that functioned in tandem with the various departments in the JWT group.

ORGANIC

Interactive Production Artist
Organic Inc.
Bloomfield Hills, MI
2000-2001
Contributed to award winning graphic and multimedia projects for Daimler Chrysler. (Jeep, Dodge, Chrysler). My creative work helped me experience most of the inner workings of the company. (Creative, Project management, Engineering, account.) Was a bridge for the creative group to the engineering department.
